Requests sanction to a grant of Rs 700/- towards the excess cost involved for executing the water supply improvement work at Kasaragod

fgN

In Go^x dt 18-4-45, sanction was accorded to an estimate for Rs 7270/- for the improvement of water supply in the Kasaragod Town subject to the cost being met as follows -

1) Rs 6000 by the Govt
2) Rs 1270 by the local fund

It is now reported that, according to the lowest tender received in this behalf, an excess sum of Rs 1,399/- is involved and that the fund is agreeable to meet from out of its funds, half the cost. Hence, the D C requests sanction to the grant of the other half viz Rs 700/- as an outright grant.
